

# APOCALYPSE MAYHEM

September 16, 2013

## GAMEPLAY

This is a dirt racing game. The aim is to score as many points as possible.

The game ends when you consume the entire time.

The Game menu lists five items:

1. New Game
2. Practice Mode
3. High Scores
4. Instructions
5. Theme

.....

### NEW GAME:

Clicking on new game option will give 10 tracks to select from.

You can select any one of them and then start the game by pressing the PLAY button.

Click Main Menu to return to the Menu.

.....

### PRACTICE MODE:

Practice Mode takes you to a practice track with infinite time.

.....

### HIGH SCORES:

High Scores option displays high scores for each of the 10 tracks.

.....

### INSTRUCTIONS:

This option displays the instructions to gameplay.

.....

### SPECIAL FEATURES:

Medical Kit: Collecting the medical kit increases the time left by seconds and doubles your speed.

Stop Signal: Collecting the stop signal decreases the time left by 25 seconds and reduces the speed to one-fifth of original.

Teliporter: Teliporter teliports you to a random place in the terrain.

Comment: Jumping out of the terrain reflects you back from the same place, while the bike stops if you try to move out of the boundary through ground.
